

### Universal Beam Dimensions

Universal Beams								
Section mm	Weight kg/m							
533x210	82	92	101	109	122			
610x229	101	113	125	140				
610x305	147	179	238					
686x254	125	140	152	170				
762x267	134	147	173	197				
838x292	176	194	226					
914x305	201	224	253	289				
914x419	343	388						
1016x305	222	249	272	314	349	393	438	487
